

I'm pretty sure the queen of the South is referring to the writers and poets throughout history. We thought they were sentimental and melodramatic softies. They have something called a kindred spirit that money loving cunts do not have. Our sins have already been judged and recorded in the history of literature. Our sins are like scarlet. No shit, Sherlock.

Isaiah 1:18

[18] "Come now, let us reason together," says the LORD:  
though your sins are like scarlet,  
they shall be as white as snow;  
though they are red like crimson,  
they shall become like wool. (ESV)

Luke 11:29-32

The Sign of Jonah

[29] When the crowds were increasing, he began to say, "This generation is an evil generation. It seeks for a sign, but no sign will be given to it except the sign of Jonah. [30] For as Jonah became a sign to the people of Nineveh, so will the Son of Man be to this generation. [31] The queen of the South will rise up at the judgment with the men of this generation and condemn them, for she came from the ends of the earth to hear the wisdom of Solomon, and behold, something greater than Solomon is here. [32] The men of Nineveh will rise up at the judgment with this generation and condemn it, for they repented at the preaching of Jonah, and behold, something greater than Jonah is here. (ESV)

And modern psychology can go fuck itself. There is no such thing as mental illness you stupid mother fuckers. Who the fuck are you to call God's creation ill?

It's your indifference that caused all the suffering in the world. You can go fuck yourself or I can help you with that when that day comes.

Hey Ed,

Let me know when you have time for coffee. We need to talk about literature.

Also, about [the essay](#), I sent using the other email address earlier, I think you are Glinda, and I'm Elphaba.

I don't know what literature means to you, and I have only come across the world of literary magazines over the last weekend, but you gave me the answer yourself.

Joel 2:28

The LORD Will Pour Out His Spirit

[28] "And it shall come to pass afterward,  
that I will pour out my Spirit on all flesh;  
your sons and your daughters shall prophesy,  
your old men shall dream dreams,

and your young men shall see visions. (ESV)

Art and literature come from God. There are fictional non-fiction.

Electrical Literature started in 2009 as a fictional literary magazine. I started in 2009 as a non-fiction writer and wrote the fictional non-fiction called My Life or Gonna Be Lit. <https://gonnabelit.com/>

Would you like to save some talking animals together?

I wondered my entire life who I am and what I am. I think I can find the answer in a non-fictional-fictional magazine and a bestseller. I'm still trying to recover from the recent wave of cognitive dissonance, and this one is quite big, but hopefully, something useful will come out on the other end to make things easier for everyone else when they find out the bestseller in humanity's history is also fictional non-fiction.

Matthew 24:27

[27] For as the lightning comes from the east and shines as far as the west, so will be the coming of the Son of Man. (ESV)

I would say that's pretty lit, no?

And if any of the recipients of this email has recommendations for anger management, now is the time to speak up and let me know. I'm not sure it's wise for me to wing it this time. Thank you.
